Now that you have done  
what I asked, I shall do  
what you ask of me.  
before you may continue  
your adventure you'll  
need to collect the  
components of the suit. I  
have listed the  
components and whom you  
might seek to acquire  
them from below. Return  
to Hepler Paulson in the  
City of Trinsic when  
you've got everything!

Nictitating Lenses –  
Josef Skimmons, The  
Master Blacksmith at the  
Cutlass Smithing in  
Buccaneer's Den will  
surely know how to craft  
such a thing.

Canvass Robe – Madeline  
Harte, Seamstress at the  
Adventurer's Needle in  
Jhelom is well known for  
her prowess with a  
needle. If anyone can  
craft this for you, it is  
her.

Aqua Pendant – Zalia  
the Gemologist, in her  
craft few are better.  
She will surely be able to  
supply the pendant. She  
can be found at the  
Gypsy camp in  
Northeastern Ilshenar.

Boots of Ballast –  
Champ Huthwait, a seedy  
man to say the least but  
a fine cobbler. Seek him  
at the Adventurer's  
Supply in Vesper.
